BAKE@HOME

YOUR KITCHEN, OUR CRAFT

Create more sales opportunities with Bake at Home. Consumers can take home their favourite bakery and hot food products frozen and bake them straight from frozen in four simple steps.

Featuring premium branding and rustic bakery-inspired imagery, our refreshed concept showcases quality, oven-baked appeal and helps products stand out in-store.

Whether you need a new branded freezer or want to refresh an existing unit, Country Choice can provide marketing support to help you successfully launch, promote and grow your Bake at Home offer.

4 STEPS

1. **Preparation**
   space products evenly on a baking tray
2. **Pre-heat Oven**
   to required temperature
3. **Bake**
   for required time
4. **Cool and enjoy**
   allow to cool for 10 minutes
