## PRODUCT GUIDANCE SHEET

### BRAKES CONCENTRATED HARD SURFACE CLEANER

A pleasantly perfumed and extremely powerful hard surface cleaner that quickly penetrates and hygienically removes grime and soap scum safely from all washable surfaces. Suitable for a wide variety of cleaning operations in housekeeping and building services applications as a damp wipe surface cleaner. **Caution:** Should not be allowed to dry onto glass surfaces.

Product Name: BRAKES CONCENTRATED HARD SURFACE CLEANER  
Description: Super concentrated perfumed surface cleaner  
Pack Size(s): 4x2ltr  
Pallet Size(s): 64  
Product Code(s): A24012  
Re-Fill Bottles: 1x6  
Product Code: A88638

### HOW TO USE

#### Clean-As-You-Go Hygiene

Remove gross debris. Spray directly onto the surface or equipment. Depending on the degree of soiling, allow sufficient time for the product to penetrate the soil. Agitate heavily soiled areas if necessary, then simply wipe away with a clean cloth or absorbent paper to leave a fresh clean surface.

Brakes Concentrated Hard Surface Cleaner must be diluted before use using a Brakes bottle fill dispenser. To prepare a cleaning solution, use the dispenser to add one plunge of purple Brakes Concentrated Hard Surface Cleaner into the re-fill bottle in accordance with the Bottle Fill Instructions that follow or dispense using an automatic chemical/water mixing station.

#### Bottle Fill Instruction:

1. Unscrew trigger spray from bottle and fill with water to the top of the label.
2. Insert bottle neck on to the dispensing nozzle and push upwards – priming the unit.
3. Position spray bottle on the base of the drip tray to allow dispensing to commence.

4. PULL lever towards you in an upward direction until it CLICKS. This is now ready to dispense.
5. To dispense product PUSH lever downwards. The concentrate will be dispensed into the bottle at the correct dilution to water.
6. Remove the bottle from the base and screw trigger spray onto the bottle. Turn bottle upside down to ensure thorough mixing has occurred.
7. WAIT for the green indicator to reappear in the window before inserting the next bottle for dispensing.

The safety information below and any hazard pictograms, refer to the concentrated product as supplied. When the product is diluted as recommended, the solution is not classified as hazardous, but normal hygiene precautions are advised.

## SAFETY ADVICE – WHEN HANDLING or DISPENSING THE CONCENTRATE

**DANGER** May be corrosive to metals. Causes severe skin burns and eye damage. Very toxic to aquatic life. Harmful to aquatic life with long lasting effects. Avoid release to the environment. Wear protective gloves/ eye protection/ face protection. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water or shower. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER/doctor.

**For further detailed information on this product please refer to the Safety Data Sheet.**

**FOR PROFESSIONAL USE ONLY**

## SAFETY ADVICE – WHEN USING THE DILUTED SOLUTION

Wearing eye protection is recommended when dispensing concentrate into bottle, but generally not needed for normal use of the cleaning solution. Wear suitable gloves. Avoid contact with eyes and skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical attention. Keep out of reach of children.

### COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product MSDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice.
