TASTY HOT DOGS & BURGERS

## HUDSON'S HOT DOGS & BURGERS

The Hudson's concept allows customers to offer an operationally simple, but fantastic tasting range of hot dogs and burgers.

Consumers are purchasing more in convenience stores and forecourts between the hours of 12pm to 5pm with the majority being younger shoppers. Retailers in transient locations should ensure hot food to go are well-stocked for lunch, afternoon and evening mealtimes. Be sure to make the most of this opportunity as hot dogs and burgers will always be a popular food choice!

The branded packaging ensures the bread remains soft when held in the hot unit for up to four hours. It has also been designed with an anti-mist window, ensuring maximum visibility and quality over time.
