

VERSATILE SURFACE CLEANER

Multi Surface Pro

DESCRIPTION

An ultra concentrated, multi-surface cleaner for the easy removal of dirt and grease, leaving surfaces clean and shiny, turning a first impression into a lasting impression.

- EU-Ecolabel certified
- Precise dilution and dispensing ensures constant product performance and cleaning quality
- Ultra concentrated formula significantly reduces packaging waste and CO2 relating to transporting of products vs traditional pack sizes
- Dispensed via closed system meaning no direct contact with the concentrated product

EU-ECOLABEL

The EU Ecolabel is a label of environmental excellence that is awarded to products and services meeting high environmental standards throughout their life-cycle: from raw material extraction, to production, distribution and disposal. The EU Ecolabel promotes the circular economy by encouraging producers to generate less waste and CO2 during the manufacturing process.

USE INSTRUCTIONS

Only for use with Dosing Unit. Your specialist will install and adjust the dispensing system to your hygiene requirements for optimum results.

1. Always wear recommended PPE when handling the product
2. Prepare the ready-to-use solution directly into the re-fill bottle or bucket using the dispenser which is pre-set at a 1.5% - 5% dilution
3. Apply the ready-to-use solution onto the surface or cloth
4. Wipe the surface
5. Rinse with water

APPLICATION

For professional use only.

Ideal for daily maintenance and cleaning of most water resistant hard surfaces and glass. Test material compatibility in a small inconspicuous area prior to application. Product is Marble safe. This product is not intended for a large-scale cleaning.

SAFETY & STORAGE

- For further information and safety instructions, please see product label and Safety Data Sheet
