

CLEANER DISINFECTANT SPRAY

Des Spray

DESCRIPTION

A highly effective, EN norm compliant, ready-to-use disinfectant cleaner, helping to maintain the highest level of antimicrobial protection in both customer and employee environments, offering clean, healthy spaces and peace of mind.

- Excellent cleaning and disinfection action, that effectively removes grease and stubborn dirt
- EN-registered formula provides robust antimicrobial protection against bacteria, yeast, and enveloped viruses
- Easy and versatile application, product is directly dispensed from its ready-to-use bottle

Our certified disinfectant products are 99.99% effective against bacteria and enveloped viruses found in foodservice operations and public spaces when used with the correct cleaning procedure.
