

HELP PREVENT THE SPREAD OF GERMS

# Hand Foam Bac

## DESCRIPTION

A EN norm compliant, antimicrobial foam soap without perfume and dye with a broad efficacy spectrum, helping to avoid cross-contamination, ensure food safety and maintain the highest level of antimicrobial protection for both customers and employees.

- Dermatologically tested, hygienic handwash according to EN 1499
- Good skin compatibility and moisturizing effect, suitable for frequent hand washing
- QAC-free formulation and user-friendly foam application

Our certified disinfectant products are 99.99% effective against bacteria and enveloped viruses found in foodservice operations and public spaces when used with the correct cleaning procedure.

## EFFICACY & DOSING
