

DELIVERING SPARKLING RESULTS

Dishwasher Rinse Aid

DESCRIPTION

A universal machine dishwasher rinse aid that accelerates the drying process delivering sparkling and shiny tableware.

- Nordic SWAN certified
- Suitable for universal use
- Excellent cleaning results in one pass washing, reducing water and energy usage, saving time and money

NORDIC SWAN

The Nordic Swan is an independent multinational environmental labelling scheme introduced by the Nordic Council of Ministers which has a close cooperation with the EU Ecolabel system "Flower" and guarantees a certain environmental standard. The objective of SWAN is to provide information to consumers to enable them to make the best environmental product choice.

USE INSTRUCTIONS

For use in professional dishwashing machines. Always attempt to wash full machines whenever possible. Only for use with Dosing Unit. If "empty product" warning device is not installed, check detergent level regularly and change bottles when necessary.

Replacing Empty Bottle

1. Always wear recommended PPE when handling the product
2. Remove cap from empty bottle and carefully remove the suction pipe
NOTE: Never mix chemicals, if you are changing products, rinse the suction pipe with water first otherwise blockages may occur
3. Remove empty container and place new container in the basket
4. Remove cap and carefully reinsert the suction pipe back into the new bottle
5. Retighten the cap
6. Dispose of empty containers responsibly, always replace the cap

APPLICATION

For professional use only.
Suitable for mechanical warewashing of all washable tableware including glassware, crockery, cutlery, bowls and all food preparation utensils.

SAFETY & STORAGE

- For further information and safety instructions, please see product label and Safety Data Sheet.
