

EFFECTIVELY REMOVES DIRT & GREASE

# Manual Dish Pro

## DESCRIPTION

An ultra concentrated manual dish detergent for daily hand-washing of dishes, glasses, utensils, pots and pans, china and cutlery, also suitable on washable kitchen surfaces.

- Effectively removes food soils and dried residue
- Streak free formula
- Allows for universal use throughout the kitchen
- Ultra concentrated formula significantly reduces packaging waste and CO2 relating to transporting of products vs traditional pack sizes
- Dispensed via closed system meaning no direct contact with the concentrated product

## USE INSTRUCTIONS

Only for use with Dosing Unit. Your specialist will adjust the dosing system to your specific cleaning needs.

To wash your dishes in the most efficient way, to save water and energy, and to protect the environment, do not use running water but immerse the dishes. You can wash most efficiently without lots of foam.

1. Always wear recommended PPE when handling the product
2. Push button on dispenser to dose correct amount of solution set at 0.3% - 0.5%
3. Remove excess soil by hand and immerse items to be washed
4. Wash/scrub using a sponge, brush or a scouring pad
5. Remove items and rinse with water
6. Allow to air dry

## APPLICATION

For professional use only.

For daily cleaning of pots and pans, dishes, glasses, china, cutlery, kitchen utensils and washable surfaces. Also suitable for kitchen equipment and other porcelain, stainless steel, aluminium wares and plastic materials.

## SAFETY & STORAGE

- For further information and safety instructions, please see product label and Safety Data Sheet
