

VERSATILE SURFACE CLEANER

Multi Surface

DESCRIPTION

A multi-surface and floor cleaner for the quick removal of dirt and grease, leaving surfaces clean and shiny and providing a pleasant and long lasting pine scent after cleaning, turning a first impression into a lasting impression.

- EU-Ecolabel certified
- Excellent material compatibility prevents damage to surfaces
- Easy and versatile application with material friendly formulation

EU-ECOLABEL

The EU Ecolabel is a label of environmental excellence that is awarded to products and services meeting high environmental standards throughout their life-cycle: from raw material extraction, to production, distribution and disposal. The EU Ecolabel promotes the circular economy by encouraging producers to generate less waste and CO2 during the manufacturing process.

USE INSTRUCTIONS

Proper dosing saves costs and reduces the impact on the environment.
FOR HARD SURFACES

1. Always wear recommended PPE when handling the product
2. Prepare cleaning solution, dose 40-65ml per 10 L of water depending on soil level, for very heavy soil dose up to 100ml per 10L of water and for spray bottle dose 10-20ml
3. Apply solution to surface dispensing via spray bottle or bucket, wipe and clean surfaces
4. Rinse food contact surfaces with fresh water and a clean cloth, allow surface to air dry

FOR FLOORS

1. Always wear recommended PPE when handling the product
2. Prepare cleaning solution, dose 40-100ml per 10 L of water depending on soil level and follow manufacturers instructions for scrubber dryer
3. Place warning signs for safety, sweep area to remove heavy or loose soil
4. Using mop apply solution to floor, mop using figure of 8 motion
5. Leave to air dry

APPLICATION

For professional use only.

Ideal for daily maintenance and cleaning of most water resistant hard surfaces, glass and floors. Also suitable for manual and low-foam machine cleaning. Test material compatibility in a small inconspicuous area prior to application.

SAFETY & STORAGE
