

SIMPLE AND EASY TO USE

Toilet Cleaner

DESCRIPTION

A ready-to-use acidic toilet bowl cleaner for daily use, with an ergonomic grip bottle with angled neck for effortless application in hard to reach places

- EU-Ecolabel certified
- Removes lime and urine and has a deodorising effect and prevents the formation of any unpleasant odours
- Easy to use product which is directly dispensed from its ready-to-use bottle

EU-ECOLABEL

The EU Ecolabel is a label of environmental excellence that is awarded to products and services meeting high environmental standards throughout their life-cycle: from raw material extraction, to production, distribution and disposal. The EU Ecolabel promotes the circular economy by encouraging producers to generate less waste and CO2 during the manufacturing process.

USE INSTRUCTIONS

Proper use saves costs and reduces the impact on the environment. This product is not intended for a large-scale cleaning.

1. Always wear recommended PPE when handling the product, place warning signs out for safety
2. Close toilet lid and flush, open toilet lid and reduce water level by pushing water repeatedly with brush
3. Apply product undiluted under rim, around toilet bowl and under water line
4. Use toilet brush to ensure all surfaces are covered and to remove dirt, where possible leave brush in toilet
5. Leave in contact for 5 minutes, flush and rinse toilet and brush

APPLICATION

For professional use only.

For use on acid resistant ceramic toilet bowls and urinals. Test material compatibility in a small inconspicuous area prior to application.

SAFETY & STORAGE

- For further information and safety instructions, please see product label and Safety Data Sheet
