

# MAKE IT MEATLESS

---

At Meatless Farm, we have a delicious plant-based range for food service professionals with no compromise on taste and texture. We're powered by plants, and our mission is to help businesses and individuals reduce their meat consumption by making the choice of switching to meatless easy for everyone.

# MAKE IT MEATLESS

Whether your business is a traditional pub, high-end restaurant, care home, hospital, school or catering service, we're sure to have something for you.

We have a range of versatile plant-based products suitable for any dish and have much more in the pipeline...

Watch this space!

## Plant-Based Burgers, 36x113g

Product code: F 129002

Surprisingly meaty, juicy and succulent, our Plant-Based Burger is perfect for your customers to enjoy a cheeseburger without the meat!

## Plant-Based Sausages, 18x50g

Product code: F 129633

Herby and succulent, our Plant-Based Sausages are suitable for every meal occasion from a cooked breakfast to bangers and mash!!

## Plant-Based Meatballs, 63x15g

Product code: F 130516

Tasty cooked Plant-Based Meatballs, with subtle flavours of onion and garlic make these the perfect addition to any pasta, Asian-style or tapas dish.

## Plant-Based Bolognese, 12x250g

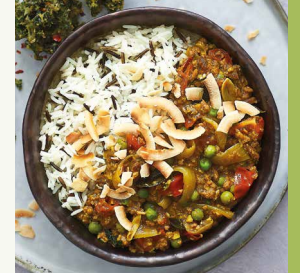

Product code: 132502

Plant-Based Bolognese is a brilliant addition to any menu. Warm and comforting, it's great as a simple pasta topping, lasagne layer, or even on top of a pizza.

## Plant-Based Block Mince, 1x1kg

Product code: F 129634

Our Plant-Based Block Mince is a great meat replacement in a variety of recipes such as chilli non carne, Bolognese, lasagne and so much more!

## Plant-Based Jumbo Sausage Roll, 54x120g

Product code: F 133831

With a flavoursome, succulent filling and fresh, flaky pastry, we have created our Plant-Based Jumbo Sausage Rolls to have the perfect combination of taste and texture. A grab and go solution that just needs a quick bake for that perfect freshly baked experience.

## Plant-Based IQF Mince, 1x1kg
