Best of British

At Brakes, we're proud to bring you the very best of British produce through Fresh Direct - our fresh produce specialist dedicated to quality, provenance and innovation. Working closely with exceptional UK growers, we deliver a dynamic range of seasonal ingredients chefs can rely on.

From the vibrant sweetness of Isle of Wight tomatoes and the first cut of British asparagus, to field-grown rhubarb, edible flowers and vertically grown rocket, our Best of British range showcases the very best of the season. This year also sees an exciting expansion in microgreens, baby leaves and chef-focused speciality lines - delivering flavour, colour and texture straight to your kitchen.

Our expert procurement team selects produce at its seasonal peak, ensuring outstanding taste and consistency.
