EVENTS, CONFERENCE & CATERING
- INSPIRATION -

Events, conferences, banqueting, barbecues and other social bookings are thankfully being organised again. Brakes are delighted to support our Higher Education customers with our **NEW** Events and Conferences brochure. You'll find a selection of our favourite food and drinks to cater for guests; all carefully selected by our Education Development Chef for Universities, Colin Salmon.

Brakes understand that every kitchen and production unit is different and needs to offer different solutions. With this in mind we've developed a range of suggested Bronze, Silver and Gold menu's to help catering teams build their food offer.

If you'd like more information on this and our wider range please get in touch with your Brakes representative or visit www.brake.co.uk

Continuous investment in our facilities, technology, network and processes to improve our service to you

An ethical, responsible business helping you meet your own CSR and sustainability goals

AS YOUR FOOD PARTNER...

You'll benefit from products and services created for chefs, by chefs.

Insight driven approach helps you capitalise on current market and consumer trends

Robust food safety and assurance to protect your customers', business and reputation

Access to our unrivalled in-house expertise

Over 9,000 products, providing a complete end to end solution all under one roof

Virtual Chef; our menu planning tool, allowing dishes to be costed, product information, plus allergen and nutritional information

A TRUE FOOD BUSINESS

Our university team are experts in higher education catering and will always take the time to understand the individual catering outlets and objectives for your University.

- *A dedicated National Account Manager* or Account Executive who will develop the day to day working relationship with your teams and be your 'go to' contact
- *University Sector Development Chef* who will drive food development days and consider product ranges to differentiate and add value to your food offering
- *University Sector Marketing Manager* who considers food concepts and develops marketing initiatives to ensure students engage with your outlets
- *Nutritionist who can support allergen catering and industry accreditations* such as Food For Life
- *Product Category specialists* across fresh, frozen and ambient who are also experts in specific areas, for example meat & poultry or food to go
- *Skilled Contact Centre teams*, offering a complete service through a single point of contact

AN EXPANDING AND EVOLVING BUSINESS

With Sysco's backing, we're constantly investing in technology, facilities and equipment to improve our service.

- £200m being invested now in depot and logistics systems to ensure accurate order picking and more efficient deliveries
- Continuing investment in new data analytics, mobile apps, warehouse management systems and communications to future-proof our supply chain and improve our service long-term

INSIGHT-DRIVEN APPROACH

We bring you solutions based on expert analysis of market research and consumer trends data. We are also supplier partners of TUCO which enables us to be at the cutting-edge of university specific insight and experience.

- Detailed insights into food and consumer trends, specific sectors and wider economy
- Challenges and opportunities identified across markets, sectors and consumer groups which may influence university catering
