

better moments make  
the world smile

# Ways to increase sales in Food Service

## Select The Right Range

Limit your range to best sellers. Use snacking moments to help decide optimum range

## Site in High Traffic Flow

Best sites are: next to the till, in the chillers and next to the hot drinks machine

## Keep Fully Stocked

Ensure confectionery is always available. Multi-face the best selling lines to support shelf capacity and display impact

## EVO 450

EVOMPU450

**DIMENSIONS**
