

LUNCH BOX

IDEAS FOR EDUCATION

Lunch boxes are a favourite with pupils of all ages and offer many benefits; easy to prepare, easy to manage portion control and simple to cost. The products we've chosen comply with School Food Standards so you don't have to compromise on nutrition or health concerns when offering to pupils.

- Many of our bread and rolls are frozen which helps you to cater economically for changing numbers of pupils in school
- Our ambient range of tasty drinks features lots of single-serve cartons to assist portion control whilst helping pupils stay hydrated.
- Our snacking range is extensive and offers some pre-packaged, individual portions to minimise handling.
