COFFEE SHOP

Cold drinks, crisps and snacks help to generate extra spend within a coffee shop so are an important part of the offer. Your range should cover the top-selling lines as well as create interest with new product launches. A typical new launch will inject great sales, not only for this particular product, but can increase sales across the entire category. It creates noise and stimulates interest. It is important to stock a range of products to suit all customers' needs whether it's hunger, fitness, a sweet-hit, sharing, energy, reduced sugar or dietary. We can help you set up these ranges to maximise your sales.
