PURE VS PRESSED

COCONUT WATER PURE

Pure coconut water, straight out of a young green coconut

Never from concentrate

Naturally occurring electrolytes, including potassium

No fat and no cholesterol

High in vitamin C

Perfect post exercise, to help a hangover, as a nutritious smoothie base or just because you're thirsty

COCONUT WATER PRESSED

Pure coconut water blended with soft pressed coconut flesh, giving it a rich coconutty flavour

Never from concentrate

Naturally occurring electrolytes, including potassium

High in vitamin C

Great in a smoothie, afternoon pick me up or just because you're thirsty!

Impossible to hate!

2022 innovation: Choc-O-Lot with fibre!

Introducing Choc-o-lot

A Chocolate-y indulgence packed with flavour!

A treat-time drink packed with digestion-supporting fibre, mood-lifting cocoa and immune-boosting Vitamin C. And...less sugar than the drinks you'd usually reach for as the hour ticks towards three.

HIGH IN VITAMIN C

NATURALLY OCCURRING
POTASSIUM

DAIRY FREE

PLANT-BASED

& now HIGH IN FIBRE!
